

APPROVED 8/3/16

**POOLESVILLE PARKS BOARD**  
**June 8, 2016**  
**19721 BEALL STREET**  
**7:30 PM**

Call To Order 7:30

- Present: Deyo, Trainor, McKenney, Pike, Halbrook, McIntyre, King

Announcements

- Next Meeting July 6, 2016

Citizen's Comments On Agenda Items

- None

Approval Of Minutes from May 4, 2016

- Deyo motion, Pike second, passed

New Business

- Review Park Permit Applications -- -All Approved Trainor motion, Deyo second, passed
- Elgin Park Landscaping -- Parks board suggests adding evergreen trees on the Southside of trail adjacent to the back of the effected residence. Any transplanting will occur in the Fall, to be limited to Town property, and will be maintained by Town Staff. Homeowner is strongly discouraged from mowing or maintaining Park/Town property.

Old Business

- Complaint about speeding traffic on Brown street. Parks Board to monitor situation as school will be over soon. Suggest that we place Town Speed sign to slow traffic. Will revisit in Fall.
- Site Distance - Cissel Manor Drive. John (Town engineer) indicated that intersection and surrounding area are all correct and meet code. Board asks Town to speak with McArthur advising that it is possible that no parking signs could be installed in front of his property. For now Parks Board will take no action and will monitor since problematic contractor (not related to Kettler) has completed job. It may take a few more months for all residents to adjust to more traffic.

Streetlight Committee Update

- No change

Committee Report

- Commissioners update
- Dog Park breaks ground 6/10/2016
- Tennis Courts at Stevens to be resurfaced. Target completion date 6/22/2016
