Citizen's Comments - None

Approval of Minutes -- April 3, 2019 – Kessler made the motion, seconded by Pike. McIntyre abstained

New Business: None

Old Business: Proposed Park Rules and Regulations. Group reviewed all changes, had some discussion, made no changes. Trainor made a motion to approve the rules and regulations. Kessler seconded. A vote was taken and all were in favor.

Committee Report: King read a report from Town Manager Yost – per Federal Highway Administration guidance memo, art in intersections (painted pavement) is discouraged. The State is paving Fisher Avenue before turning it over to the Town.

King reported that the fishing tournament went well. The Town is redoing parking pavement markings on Kohlhoss Road and making improvements to the ballfield at Stevens Park. He mentioned staffing issues now with several guys out, including Davidson who continues to have serious medical issues with his hand.
