**Approval of Minutes:**

Thomas motioned to approve the minutes of May 22, 2019. Seconded by Matthew. Motion carried 6-0.

**Announcements:**

Next meeting date: July 24<sup>th</sup>.

**Business:**

Danny discussed EPA Water Sense Communities. Danny to draft letter to developers requesting that they have an option for water sense qualifying fixtures. He also spoke of green roofs, could be another M.C. Rainscapes session. Danny brought up the idea of having a “walk with your mayor” theme and bring it up with the Commissioners.

The Committee discussed potential rewards for rain barrel use and/or low use fixtures.

Jane discussed compost containers at the library and how we could incorporate advertising into the plan. She also discussed rain Barrels and updating the website plant list.

The group discussed Poolesville day and having a booth to promote new activities. Thomas, Jane and Matthew to work on details.

Matthew discussed the aerial photos he had taken of the solar pollinator meadow and how they could be used. He also would look at creating a QR code for the trail maps.

Don updated the team on the successful certification and future certification requirements. He discussed the need to schedule the event at Campbell Park. Wade informed the group that all construction activities will be complete by the end of June.

The Green Registry was brought up by Danny and he will check with Businesses to encourage them to join.

**Adjournment:**

Don motioned to adjourn. Seconded by Jane. Motion carried 6-0.

Minutes submitted by Wade.
