FY 2010 Close-out

# The Commissioners of Poolesville

FY 2010 Close-out

## FINANCIAL FORECAST: FY 11 Bgt. THROUGH FY 15

Closed 6/30/2010

Printed: 5-Feb-16

### Part 1[a] - Recap of Recent Seven-Line Budgets

Item	FY 09 Actual	FY 10 Budget	FY 10 Close-out	FY 11 Budget
<b>Revenue</b>	2,828,913	2,697,709	\$2,797,869	2,354,019
Funding: General Projects	(726,735)	(643,000)	(646,642)	(373,000)
Funding: Water / Wastewater Projects	(130,000)	(315,000)	(335,000)	(265,000)
Sub-Total: Capital Projects	(856,735)	(958,000)	(981,642)	(638,000)
Operating Expenses	(1,972,178)	(1,735,320)	(1,748,685)	(1,735,988)
<b>Total Annual Expenditures</b>	(2,828,913)	(2,693,320)	(2,730,327)	(2,373,988)
<b>Annual Balance</b>	<b>\$0</b> 0.0%	<b>\$4,389</b> 0.2%	<b>\$67,542</b> 2.4%	<b>(\$19,969)</b> -0.8%

**Notes**

[1] Part 1[a] is a recap from Page 2.

### Part 1[b] - Projections for Future Seven-Line Budgets

Based on the Figures from the FY 2010 Close-out and the Current Five-Year Plan for Funding Capital Projects

Item	FY 12	FY 13	FY 14	FY 15
<b>Revenue</b>	2,406,565	2,491,152	2,588,740	2,688,626
Funding: General Projects	(392,000)	(482,000)	(457,000)	(502,000)
Funding: Water / Wastewater Projects	(220,000)	(105,000)	(105,000)	(105,000)
Sub-Total: Capital Projects	(612,000)	(587,000)	(562,000)	(607,000)
Operating Expenses	(1,764,732)	(1,928,829)	(2,043,016)	(2,101,915)
<b>Total Annual Expenditures</b>	(2,376,732)	(2,515,829)	(2,605,016)	(2,708,915)
<b>Projected Balances</b>	<b>\$29,833</b> 1.2%	<b>(\$24,677)</b> -1.0%	<b>(\$16,276)</b> -0.6%	<b>(\$20,289)</b> -0.8%

### Part 2[a] - Recap of Current Financial Reserves

Item	FY 09 Actual	FY 10 Budget	FY 10 Close-out	FY 10 Budget
Unspent Funds: General Projects	1,040,873	649,655	1,491,410	385,790
Unspent Funds: W & WW Projects	1,333,502	736,315	1,367,352	687,104
Sub-Total: Unspent Capital Funding	2,374,375	1,385,970	2,858,762	1,072,894
<b>Unrestricted Reserve (Genl Fund)</b>	<b>1,701,621</b>	<b>1,161,107</b>	<b>980,505</b>	<b>960,536</b>
<b>Balance (Water / Wastewater Fund)</b>	<b>108</b>	<b>663</b>	<b>313</b>	<b>604</b>
Restricted Funds	267,619	184,018	185,021	112,382
<b>Total Financial Reserves On-Hand</b>	<b>\$4,343,723</b>	<b>\$2,731,758</b>	<b>\$4,024,602</b>	<b>\$2,146,417</b>

### Part 2[b] - Projections for Future Financial Reserves

Item	FY 12	FY 13	FY 14	FY 15
Unspent Funds: General Projects	562,788	339,788	711,788	1,213,788
Unspent Funds: W & WW Projects	574,104	659,104	744,104	829,104
Sub-Total: Unspent Capital Funding	1,136,892	998,892	1,455,892	2,042,892
<b>Unrestricted Reserve (Genl Fund)</b>	<b>990,369</b>	<b>965,692</b>	<b>949,416</b>	<b>929,127</b>
<b>Balance (Water / Wastewater Fund)</b>	<b>895</b>	<b>1,186</b>	<b>1,477</b>	<b>1,768</b>
Restricted Funds	112,382	112,382	112,382	112,382
<b>Total Financial Reserves On-Hand</b>	<b>\$2,240,539</b>	<b>\$2,078,153</b>	<b>\$2,519,168</b>	<b>\$3,086,170</b>

**Notes**

- [1] Part 2[a] of Poolesville's Financial reserves is summarized from Page 2; see that page for details.
- [2] Unspent Funding for Capital Projects may include Impact Fees, Grants, and Restricted Funds. See the section on Capital Projects for details.
- [3] Unrestricted General Fund Reserves for Part 2[b] is based on the budget and the Close-Out projections from Part 1[b] above.
- [4] Water & Wastewater Fund Balances in Part 2[b] are based on the current budget operating balance projection being constant over the next 4 years.

**Notes**

- [1] The upper part of this page presents activity in the various Restricted Funds maintained by the Town.
- [2] The lower part of the page is a summary of all cash on hand, in the General Fund (Unrestricted and allocated to Capital Projects), in the Water and Wastewater Fund (Unrestricted and allocated to Capital Projects), and in Restricted Funds.
- [3] Included in the Accumulated Funds for Capital Projects (both General and Water/Wastewater) are the accumulated unspent Impact Fees on hand. See page 3 for those amounts and details.
- [4] The Chesapeake Bay Restoration Fund is a mandated program instituted by the State of Maryland. By law, the Town is required to collect \$7.50 per quarter on each water and wastewater bill issued. These funds are collected by the Town and then paid directly to The State of Maryland Bay Restoration Fund, a State agency, less a 5% administrative fee. Although this is a mandated public program, the State has advised this is not a "Tax" and is therefore not an eligible deduction on individual income tax returns.

**Notes**

- [1] The General Fund Summary is divided into two parts:
- \* The upper section presents the status of the Operating Account, including yearly revenue, allocations for Capital Projects, the Annual Operating Balance, Unrestricted Funds carried forward, and finally, the Unrestricted Funds Close-Out Balance for the year. Included in the summary is the application of any excess Cash Reserves into the budget year.
  - \* The Commissioners set the minimum Unrestricted Fund reserves using the operations and maintenance expenses of both the General and Water/Wastewater Funds for a four month period.

- [2] The lower section summarizes the activity in the General Funds Capital Projects Account, including funds carried forward, new funding from the Operating Account, and funding from other sources, all summarized in the total funds available for General Capital Projects. Actual or Planned Capital Spending is shown, ending in the Funding Balance for Capital Projects.

- [3] In addition to cash assets, the Town owns several pieces of real property:

<u>Buildings and Municipal Facilities</u>	<u>Parks and Recreational Facilities</u>
Town Hall	Stevens Park
Maintenance Building	Campbell Park
Old Methodist Church, Thrift Shop	Halmos Park
Eleven Well Houses	Wootton Heights Park
Wastewater Treatment Plant	Bodmer Park
Equalization Lagoon	Brooks Park
Six Sewage Pump Stations	Whalen Commons
	Old Methodist Cemetery
	Lori Gore Park
	W. Willard Practice Field
	Collier Circle Pond
	Dr. Dillingham Park

- [4] See page 19 for Town-owned vehicles.

**Account Descriptions**

- 111 Property Taxes cover both commercial and residential properties; the latter at \$0.1594 per \$100 of assessed valuation.
- 112 Personal Property Tax for Unincorporated businesses in Poolesville.
- 113/114 These are Personal Property Tax accounts: 113 for Public Utilities (Verizon, Washington Gas), and 114 for other corporations in Poolesville
- 311.4 Covers the Tax Duplication formula with the County and is based on the miles of Town roads
- 330.5 Covers bank shares and comes from Montgomery County, the same every year.
- 360.1 Revenue is based on a State formula, with a piggy-back County tax added. The formula is based on taxable income reported
- 156 The State computes this amount based on the miles of Town roads and the vehicles registered in Town by residents
- 222 Franchise Fees includes Comcast Cable TV, and a portion of the business licenses granted by the County
- 121 Interest earned on the General Fund savings account and our account with the County's Investment Fund
- 412 Zoning applications and Development fees for new subdivisions, and is offset by Expense Acct. 1210
- 462 Includes the rental of space on the Water Tower to Sprint, Verizon, Nextel, and T-Mobile
- 480 Fees charges for participants in the Summer Recreation Program.

**Account Descriptions**

The Major Account Group 500 covers those expenses that are incurred in the day-to-day operation of Town affairs, including our municipal outreach to the community at large. The following breakdown is included in this general category:

- 505 Includes meetings and training the Commissioners and Town Manager attend, including the Maryland Municipal League (MML) Conferences, MML Montgomery County Chapter Meetings, National League of Cities Conferences, Chamber of Commerce Meetings, meetings with State and County officials, and other official functions.
- 510 Advertising in the media.
- 515 Includes dues for organizations such as the MML, Manager's Association, etc., as well as subscriptions for various publications.
- 525 Includes the transcriber for minutes and public hearing transcripts.
- 530 Includes bonding for the Town Manager and Town Clerk and training for all Town employees
- 540 CPA Accounting assistance and costs for end of year audit are doubled as a result of newly mandated reporting requirements
- 545 Includes a new copying machine lease, copy paper, printing and postage for the Town Newsletter
- 550 Includes telephone service in Town Hall and the Maintenance Building, fax machine, cellular phones for senior staff, hand-held radios for the general staff, maintenance for the radio system, and Internet service.
- 555 Includes office supplies for both Town Hall and the Maintenance Building offices, as well as postage, business cards, etc
- 565 This year the account will support the efforts of the Community and Economic Development Committee. The projects include the Holiday Ceremony, movies in the park, farmer's market and a spring fest.
- 570 Includes community awards and plaques, Poolesville Day, Prom Night, UMCVFD fire works and others as approved by the Commissioners.

**Account Descriptions**

The Major Account Group 600 has funds budgeted in every even-numbered year, when elections for Town Commissioners take place. Included is the cost of all pre-election preparation, election day activities, and follow-up as may be required.

- 605 These are costs associated with printing Absentee Ballots, delivering by registered mail, etc.
- 610 Costs include the rental of four voting machines and the services of one operator.
- 615 This account covers the costs of attorney's fees to meet with the Board of Elections, offer legal guidance, and respond to other inquiries.

The Major Account Group 700 includes salaries, social security, insurance, hospitalization, and retirement plan contributions for the Town Manager, Town Clerk-Treasurer, Deputy Clerk, the Public Works staff, Water and Wastewater staff, and other temp employees, such as for the Summer Recreation Program, that may be hired. At present, Pooleville has a total of fifteen (15) employees.

- 705 Includes salaries for all Town employees.
  - 710 Includes the costs for federally-mandated Social Security and Medicare programs
  - 715 This account includes the Town's voluntary benefits package, including Medical plan, Insurance plan, and Retirement contributions
  - 720 This account covers the cost of mandated Workmen's Compensation Insurance.
- 755, 760, 765  
These accounts reflect the cost associated with salaries and benefits attributed to water and wastewater.

**Account Descriptions**

**The Major Account Group 800 summarizes the costs associated with Pooleville's service contract with the Town Attorney.**

- 805 The account covers attorney's fees for attendance at meetings, normal opinions, responding to questions, and other general legal issues. Included also are the costs for representing Pooleville in lawsuits and other challenges that may be raised by third parties.
- 810 This covers the review of Bond documentation, preparation of easements, review of site plans, and negotiations with property owners.
- 815 This account covers the time spent in writing, editing, and updating the Town's Code and Charter. At the present time, future Code changes have not been identified.

**The Major Account Group 900 covers general/liability insurance for Town Hall, the Maintenance Building, and Old Methodist Church. In addition, this Group cover the costs of electricity, maintenance, and supplies for all General Fund Town buildings, as well as costs associated with municipal operations.**

- 910 Includes insurance coverage (property, general, and liability) for Town buildings and for insurance for the Commissioners acting as a legislative unit.
- 915 Electricity and Heat includes utility costs for Town buildings. In general, electricity is used to heat and air-condition all buildings.
- 920 This account covers the cost of all expendable and supply items, such as nuts, bolts, nails, cleaning supplies, paper towels, toilet paper and other general supplies necessary to properly maintain and operate all Town buildings.
- 925 This account covers the cost of maintenance and repair of Town buildings. Townhall cleaning service, fire monitoring system, infestation control and Montgomery County Fire Code Insp.
- 930 This account covers the rental fee for Town Hall offices and Town meeting space.
- 940 Includes expenses associated with providing proper work clothes, rain gear, cold weather gear, safety boots, etc.
- 950 This account covers the cost of maintaining insurance on Town vehicles.
- 955 This account covers the repair and maintenance, including the costs of gas and oil, for Town trucks and mowers.
- 960 This covers items such as hammers, screwdrivers, shovels, drills, etc., and other small items not generally included in the Capital Projects Budget.

**Account Descriptions**

The Major Account Group 1000 covers all costs associated with the general maintenance and repair of all Town streets, storm water systems, street signs, street lighting, truck expenses, as well as the cost supplies and specific expenses for snow removal (note that Town staff salaries, including overtime, for snow removal, are included in Account Group 700).

- 1050 This account includes minor repair and maintenance to roads following water main breaks and other road surface failures with gravel and cold patch. Permanent repairs are completed when major resurfacing projects are scheduled as identified in the Capital Projects section of this Budget.
- 1055 Included in this account are the costs for the cleaning of, and minor repairs to, storm drain inlets and pipes. Again, major work items are included in the Capital Projects section of this Budget.
- 1060 This account covers the installation of new street signs, and the repair/replacement of older signs, as may be required
- 1065 The operation of the Town's residential street lights (565) and Cobra Head lights (about 65) was performed under contract with Allegheny Power, including maintenance and electric cost. The FY010/11 reduced costs reflects the cost now that the Town owns and maintains
- 1070 Included in this account is the cost of salt, and other materials that may be spread on Town roads, as may be required during snow/ice events. It also includes the cost of special items that may be needed for snow removal, as well as the cost of truck repairs specifically due to snow removal.
- 1085 This account covers the cost of repairing and maintaining all Town sidewalks.

**Account Descriptions**

**The Major Account Group 1100 covers those expenses associated with maintaining Pooleville's parks, and the aesthetics of the Town streets. Included also are the costs of seasonal recreation programs. In general, major projects are included in the Capital Projects section of the Budget.**

- 1150 This includes the cost of lighting of the tennis and basketball courts at Halmos Park, and the security lights at Halmos and Stevens Parks.
- 1155 This account covers the cost of repair and maintenance of equipment in the tot lots, as well as the baseball field fences and bleachers. It also includes re-seeding the fields as necessary, annual fertilizing and weed killing treatments, gravel to repair parking lot damage, as well as mosquito control. Major projects addressing the upkeep of our recreational facilities are included in the Capital Projects section
- 1160 This line item covers the cost of the purchasing and planting of all street trees.
- 1165 This account primarily addresses the costs for the maintenance and replacement of existing street trees and the miscellaneous purchase of shrubs and annuals.
- 1170 Included are the costs for equipment, supplies, and tee shirts for the Summer Recreation Program

**The Major Account Group 1200 covers the costs associated with the services contract with the Town Engineer for general engineering services, including attendance at Town meetings and other projects as directed by the Commissioners and/or Town Manager. It also includes the cost of services rendered for supervision of building roads, sidewalks, storm drainage systems, and other infrastructure in new subdivisions.**

- 1205 This account captures the cost of providing the services described above, other than costs charged directly to specific Capital Projects.
- 1210 Some of the costs in this account are offset by the receipt of developer fees.
- 1300 This account provides funding for reports, surveys, duplicating or publishing of plans and reports specific to the duties of the Planning Commission.

**Account Descriptions**

The Major Account Group 1400 covers the activities of the Code Enforcement Officer and the Plumbing Inspector.

1425 This is a contract position established to insure enforcement of Poolesville's Code.

1435 This is a contract position covering the inspection of new connections to the municipal system and gas connections, as well as alterations to existing connections. In general, the costs in this account are offset by the permit fees in revenue account 223.

The Major Account Group 1500, Municipal Services, includes the cost associated with the Town's contract with Titus Trash Service to provide regular residential trash pickup, at a cost of \$20.16 per house per month.

The Major Account Group 1600 is used to maintain a positive balance in the Water & Wastewater operating account. Funds are intermittently transferred on an as-needed basis at the direction of the Town Manager, with the cognizance of the Commissioners. Funds for Water & Wastewater Capital Projects are funded separately by the General Fund as part of the Town's overall Capital Projects program, and are identified elsewhere in this Budget.

The Major Account Group 1700 covers the repayment of loans incurred for past Capital Projects. The details of the current outstanding loans are found on page 4. The Commissioners have adopted a policy that all Capital Projects, both General Fund and

**Notes**

[1] This page summarizes the eight Capital Projects accounts associated with General Fund capital expenditures. The summary is divided into three sections as follows:

- \* The top part of the page summarizes the costs of the various projects and the overall funding streams developed to implement those projects. Also included in the top section is a summary of all special funding available to augment the regular General Funding. The bottom line in the top section, Acct. 2000, subtracts the special funding and identifies the Net Amount which has been, or will be, funded from General Fund Revenues.
- \* The middle part of the page summarizes the programmed expenditures of the funds to accomplish the various capital projects.
- \* The bottom part of the page reflect the remaining balances in each of the accounts at the end of each Fiscal Year.

[2] See the following Capital Account pages for detailed information.

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects      Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

**Project Definitions**

2005 The Office Equipment Account covers the purchase of durable office equipment with an expected service life of more than 3 years.

2 The New Town Hall required additional phones, presentation screen, sound system, computers, an emergency security office setup, etc

3 Digitization of the Town's records will decrease storage requirements and increase efficiency

4 The defibrillator is located at Town Hall.

5 Replacement of existing computers for senior staff.

6 New billing software will increase efficiency and allow online and credit card payments

7 This is a replacement of existing equipment

8 Replacement of existing hardware

**Project Definitions**

2010 The Municipal Buildings Account covers the major maintenance of, and additions to, existing Town properties.

1 The community sign is located at the entrance road to the new Town Hall. It provides information on Town meetings and events

2 This is a cover to protect the storage of salt during the winter and ball diamond mix/top soil in the spring and summer

3 The flat roof on the WWTP was installed in 1985 and has had small leaks that have been patched.

4 The bandshell/comfort station will provide for the summer concerts and movies.

- 2003 Kubota ZD21 (mower)
- 2006 HR111 Jacobson (mower)
- 2006 Kubota ZD21 (mower)
- 2008 Kubota ZD21 (mower)

**Heavy Equipment**

- 2003 JCB Backhoe
- 2002 Skid Loader
- 2008 tractor w/mower boom

**Trucks**

- 1995 International Bucket Truck
- 1997 Dodge one ton Utility Truck
- 2002 Ford F-250 Utility Truck
- 2002 Ford F-450 Dump Truck
- 2003 Ford F-350 Flat Bed Truck
- 2004 Ford F350 Truck
- 2006 Chevy 5 Ton Dump
- 2008 Ford F-350
- 2010 Ford F 350 Truck

**Town vehicles are targeted for replacement on a ten to twelve year cycle.**

- 1 The tractor and boom will allow mowing of steep slopes and around ponds
- 2 The 72" mower will replace the 2001 Kubota ZD21
- 3 This used truck will be an addition to fleet. It will serve to haul very heavy loads, gravel, water break spoil, asphalt and sal
- 4 The one ton utility truck will replace the 1999 utility truck
- 5 The multi-use mower will replace the 2000 Kubota 3060
- 6 The 72" mower will replace the 2003 Kubota ZD21
- 7 The 3/4 ton truck scheduled for 2012 will replace the 2002 Ford F250
- 8 The one ton dump scheduled in 2012 will replace the 2002 Ford F450
- 9 This will be an addition to the fleet in anticipation of the new developments, streets and athletic field;
- 10 This mower will be an addition to the fleet in anticipation of additional ponds, athletic fields and roadside;
- 11 The 72" mower will replace the 2006 Kubota ZD21
- 12 The 1-ton flatbed scheduled in 2014 will replace the 2003 flatbed truck
- 13 The 3/4 ton truck scheduled for 2014 will replace the 2004 Ford F350
- 14 The 5 ton truck will replace the existing dump truck
- 15 This mower will replace the 2006 HR111 Jacobson
- 16 This mower will replace the 2006 72" mower
- 17 This will replace the 2008 Ford F-350

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

**2025 The Major Town Project Account covers new Capital Improvement Projects aimed at improving the Town's infrastructure.**

- 1 Street Lighting Program includes;
  - A) FY05 Tom Fox Ave (Fisher to Hughes)
  - B) FY07 Hoskinson Rd (Bodmer to Wootton)
  - C) FY10 Wootton (Fisher to Hempstone)
- 2 This project will provide safe access for children in this neighborhood to walk to school
- 3 This project will provide a safe route for pedestrians walking from Elgin Road to downtown and the Montgomery County Pool
- 4 Initial funds will provide for construction drawings for improvements along Fisher Avenue
- 5 Fyffe Road construction from Fisher Avenue to Beall Street, including a parking area for Whalen Commons.
- 6 The purchase of streetlights from Allegheny power reduced annual expenditures from \$20 to \$5-\$6 per light per month.
- 7 This project brings the Westerly drainage swales into ADA slope guidelines.
- 8 Sidewalk construction, exact location is still being studied.
- 9 Wesmond S/walk Pgm: Phase 1 includes Soper Street (west side) from Wootton Avenue to Hempstone Avenue.
- 10 Westerly sidewalks phase 2 includes the south side of Spurrier Avenue.
- 11 Wesmond sidewalks phase 2 includes the south side of Hempstone Avenue.
- 12 Westerly Sidewalk program phase 3 includes Bodmer Avenue.
- 13 Repairs to the West Willard storm drain system. The available funding will allow for the engineering design.

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure

- [1] Funding from Impact Fees is indicated separately.  
As development occurs, impact fees will be collected for this project.

**Project Definitions**

**2030 The Public Facilities Account covers the estimated cost of a new Town Hall / Public Meeting Facility.**

In 2004, A Town Hall Committee was formed to gather data and analyze options for a permanent Town Hall. A full report on recommendations for the location, size, and detailed office requirements using County and Federal standards was submitted to the Commissioners.

During the FY07 Budget, the Commissioners purchased a 1 acre parcel for \$150,000 on Beall St. behind Whalen Commons for the construction of the new Town Hall.

The initial site for Town hall was located on Campbell Park. Funds were expended for plans, permits and borings prior to moving to the existing location. Also during the design phase, many changes occurred such as deleting the basement and second story and costs associated with re-bidding of the project. The following breakdown reflects how funds are allocated.

**Campbell Park Site - One story frame with optional basement**

Site and stormwater management plan & borings	26,265
Architectural concept plan	14,112
	<b>40,377</b>

**New Town Hall Site - 2 story frame with basement**

Site and stormwater management plan, permeable asphalt parking lot	99,391
forest conservation, permitting & borings	76,313
Architectural design	175,703

**Redesign to single story**

Re-bid	3,420
Redesign	47,070
	<b>50,490</b>

**Overall Cost Breakdown**

Land Purchase	155,509
Engineering	136,769
Architecture	128,612
Construction	1,105,413
Oversight	52,332
Permits	14,969
Equipment and furnishings	51,490
<b>Total</b>	<b>1,645,093</b>

- [2] The Community Center is planned to be constructed in Dr. Dillingham Park. Funding will include Town Funds, Impact Fees from developer; and grants currently being pursued.

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure

- 1 ADA upgrade for Brooks Park.
- 2 Upgrade of the electrical from a 100 amp panel to a 200 amp panel.
- 3 The Skatepark cost estimate is based on actual construction of a 6500 sqft facility and non-inclusive of land acquisition.
- 4 ADA upgrades will occur as part of the Parks Board's prioritization recommendations. Steven's Park is scheduled for FY12
- 5 Park replacement will occur as part of the Parks Board's replacement recommendations.
- 6 Project consisted of supply exercise equipment for Halmos Park Trail System
- 7 This segment will be constructed along Fisher Avenue from Tom Fox Avenue to Wootton Avenue.
- 8 Provides LED lighting for Whalen Commons parking areas.
- 9 Replacement and ADA upgrade.
- 10 Converts large ballfield into smaller field for 9-12 year old use.
- 11 Accumulation of funds for future development.
- 12 Installation of a 200 amp panel
- 13 The 10-12 acre quadrant park has been divided into two 5 acre sites due to land constraints. The Elgin and Schraf properties, when developed Accumulation of funds for future development.

- [1] The Water and Wastewater Fund Summary is divided into two parts:
- \* The upper section presents the status of the Operating Account, including yearly revenue, allocations for Capital Projects, the Annual Operating Balance, Unrestricted Funds carried forward, and finally, the Unrestricted Funds Close-Out Balance for the year. Note that the Water and Wastewater Fund Capital Projects are funded by the General Fund, as W&WW revenues are only sufficient to cover part of the Operating Expenses.
  - \* The lower section summarizes the activity in the Water & Wastewater Fund Capital Projects Account, including funds carried forward, new funding from the Operating Account, and funding from other sources (including Granted General Funds), all summarized in the total funds available for Water & Wastewater Capital Projects. Actual or Planned Capital Spending is shown, ending in the Funding Balance for Capital Projects.

## WATER and WASTEWATER FUND REVENUE SUMMARY

Closed 6/30/2010

Printed: 5-Feb-16

Acct No.	Account Name	Y/E 06/30/09 FY 09 Actual	Y/E 06/30/10 FY 10 Budget	Y/E 06/30/10 FY 10 Close-out	Y/E 06/30/11 FY 11 Budget
<b><u>Water &amp; Wastewater Revenue</u></b>					
411.1	User Charges	651,673	847,676	744,413	847,676
505	Interest Income (510 & 515 )	3,204	3,000	3,608	3,000
590	WSSC & Contractor Fees	14,691	13,600	21,251	13,600
590B	Bay Fund Admin Fee	2,533	2,500	2,535	2,500
595	Tap Fees	2,340	10,500	18,310	10,500
596	Water Meter Replacement Fee	16,815	0	2,905	0
<b>Sub-total: Water &amp; Wastewater Revenue</b>		<b>\$691,256</b>	<b>\$877,276</b>	<b>\$793,022</b>	<b>\$877,276</b>
<b><u>Water &amp; Wastewater Internal Support</u></b>					
	Grant from Unrestricted Gen'l Funds	226,700	113,000	166,000	117,000
<b>Sub-total: Water and Wastewater Available Funding</b>		<b>\$917,956</b>	<b>\$990,276</b>	<b>\$959,022</b>	<b>\$994,276</b>
<b><u>Impact Fee Revenue</u></b>					
597.1	Water System	44,545	90,787	128,785	83,990
597.2	Wastewater System	20,560	41,901	59,440	38,765
<b>Sub-total: Impact Fee Revenue</b>		<b>\$65,105</b>	<b>\$132,688</b>	<b>\$188,225</b>	<b>\$122,755</b>
<b><u>Grants and Designated Funding</u></b>					
A	MD Grant: ENR for WWTP	0	0	84,279	138,000
B	Revenue Authority Payment	0	0	0	0
C	Internal Transfers	0	0	0	0
D	Allocation of Unrestricted Funds	0	0	0	0
E	State Loan for I&I	0	0	0	0
<b>Sub-total: Grants and Designated Funding</b>		<b>\$0</b>	<b>\$0</b>	<b>\$84,279</b>	<b>\$138,000</b>
<b><u>Restricted Revenue</u></b>					
598	Chesapeake Bay Restoration Fund	50,000	50,000	50,000	50,000
<b>Sub-total: Restricted Revenue</b>		<b>\$50,000</b>	<b>\$50,000</b>	<b>\$50,000</b>	<b>\$50,000</b>
<b>Total: Water &amp; Wastewater Fund Revenue</b>		<b>\$1,033,061</b>	<b>\$1,172,964</b>	<b>\$1,281,526</b>	<b>\$1,305,031</b>

<b><u>Account Descriptions</u></b>			
411	Revenue generated from the users of water and wastewater, FY2010 based on restructure of the Water and Wastewater Users Rate Table as depicted below:		
	<u>Old Gallon Tiers</u>	<u>Old Rate System</u>	<u>New Gallon Tiers</u>
	0 - 10,000	5.36	0-30,000
	10,001 - 20,000	6.20	30,001 - 40,000
	20,001 - 30,000	7.05	40,001 - 50,000
	30,001 - 40,000	7.90	50,001 - up
	40,001 - 50,000	8.73	
	50,001 - up	9.58	
	With the actual cost to produce and treat 1,000 gallons being close to \$7.50, subsidizing the lower two tiers was creating a never ending drain on the water and wastewater fund.		
505	Interest income for funds in the savings account and in the County Investment Fund.		
590	Revenue generated from contractor/hydrant use and WSSC.		
595	Paid by new users to the water and wastewater system		
596	This fee was eliminated during the FY10 rate restructure.		
598	This fee is collected by the Town for the State (See page 2 for details)

**Account Descriptions**

**The Major Account Group 700 covers all direct expenses associated with the administration, operation and maintenance of the Wastewater System, including outside contracts, utility costs, water and sewer supplies, and maintenance and repair costs.**

- 701 This account pays for the sludge hauling to landfills and periodic permit sludge testing
- 702 This account covers sample analysis from outside labs.
- 703 This account covers the electric of the whole compound.
- 705 This account is for chemicals used in the treatment of the wastewater.
- 707 This account is for minor building maintenance.
- 708 This account covers in house lab testing supplies and minor test equipment.
- 709 This account covers small tools specific to wastewater system work.
- 710 This account covers parts and direct costs associated with maintaining the Wastewater Treatment Plant.
- 711 This account funds the annual replacement of the ultra violet disinfection lamps.
- 712 This account covers minor repairs and general maintenance of the sewer piping systems and various pump stations
- 755 This account covers salaries for field staff.
- 757 This account pays for the portion attributed for office staff.
- 761 This account pays for employee t-shirts, sweatshirts and safety boots.
- 763 This account pay a portion of the accounting fees.
- 765 This account pays for legal fees connected with the system.
- 767 This account pays for engineering not directly connected with a project.
- 771 This account pays for office supplies connected with the system.
- 773 This pays for phone bills connected with the system.
- 775 This account pays for wastewater properties, such as the plant and pump stations.
- 781 This account covers a proportionate share of the total cost.
- 783 This account pays a proportionate share of truck operations.

**The Major Account Group 750 covers all direct expenses associated with the administration of the Wastewater System, including full salary burden, personnel costs, office operation, all insurance, and truck operations. See page 19 for account descriptions.**

**Account Descriptions**

**The Major Account Group 800 covers all direct expenses associated with operation and maintenance of the Town's water system.**

- 801 This account covers the costs of all laboratory supplies and expenses, and test equipment, for the Town's municipal water system
- 802 This account covers the cost of all consumable supplies and replenishable hardware supplies for the Water & Wastewater systems.
- 805 Electricity consumed at the various well sites (11) and sewerage pumping stations (6) are included in this account
- 806 The chlorine added to the municipal water supply is included in this account
- 807 Included in this account is the cost of minor repairs and maintenance to the water system, as accomplished by Town staff
- 809 This account covers small tools specific to water system work.

**The Major Account Group 850 covers all direct expenses associated with the administration of the Water System, including full salary burden, personnel costs, office operation, all insurance, and truck operations. Acct descriptions are similar for 750's and 850's.**

- 755/855 General Fund Account 755 allocates the total salary burden for Water/Wastewater employees, which is then included here.
- 757/857 Likewise, the allocated share of Town Hall staff is calculated in GF Accts 760 & 765 and then included here.
- 859 Cost of Bonding for Deputy Clerk who handles water billing and payments received
- 761/861 These accounts cover the cost of Town uniforms and training for wastewater and water employees respectively.
- 763/765/767/863/865/867 These accounts represent the costs for applicable accounting, legal, and engineering services.
- 771/871 These accounts cover the costs of office supplies for the wastewater and water dept. functions. A/C 871 includes water billing costs.
- 773/873 These accounts include telephone service, including emergency notification systems, at the WWTP and all well houses.
- 775/875 These accounts cover the cost of property insurance for all parts of the wastewater and water infrastructure.
- 781/783/881/883 The cost of truck insurance, gasoline, repairs, parts, etc., is included here for wastewater and water trucks.

**Notes**

[1] This page summarizes the five Capital Projects accounts associated with Water & Wastewater Fund capital expenditures. The summary is divided into three sections as follows:

- \* The top part of the page summarizes the costs of the various projects and the overall funding streams developed to implement those projects. Also included in the top section is a summary of all special funding available to augment the regular Funding Grant from the General Fund. The bottom line in the top section, Acct. 3000, subtracts the special funding and identifies the Net Amount which has been, or will be, funded by means of a Capital Projects Grant from the General Fund Revenues.
- \* The middle part of the page summarizes the programmed expenditures of the funds to accomplish the various capital projects.
- \* The bottom part of the page reflect the remaining balances in each of the accounts at the end of each Fiscal Year.

[2] See the following Capital Account pages for detailed information.

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects      Budgeting, Planned Expenditures for this Budget Year**

*The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure*

**3130 This account covers all aspects of expanding and improving the Town's water collection and distribution system.**

- 1 The Commissioners are moving forward with a program to reduce radionuclides in the Town's water system. The treatment system will consist of connecting Wells 7, 9 & 10 to a radon and uranium removal treatment facility.
- 2 This project provides for the replacement of poorly operating water main valves.
- 3 Well implementation includes final permitting and MDE approval, construction of well house, and connection to the Town's water system
- 4 This well will provide redundancy and back-up to the other wells in the Horsepen Branch watershed
- 5-6 These wells are funded by the developers through impact fees.

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects      Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure

**3150 Includes all major maintenance, modernizations, upgrades and expansions to the sewage collection/treatment/disposal systems.**

- 1 Sump pumps have been identified as a source of I&I. The project will eliminate the discharge into the wastewater system
- 2 The current underground station is deteriorating and needs replaced.
- 3 The upgrade consists of accessibility issues required for safety.
- 4 The rebuild of the main pumps will consist of impellers, shafts, and bearings.
- 5 Transducers will replace existing transducers, which read and transmit water levels to the main PLC.
- 6 Replacement Pump System
- 7 The generator serves as the emergency electrical back-up for the entire WWTP. The scheduled repairs will extend the expected life.
- 8 This project provides for the installation of a valve, which will enable the bypass of the station for repair work.
- 9 This project will enable the replacement of electronic components within the Seneca Chase & Hunter's Run Pump Stations
- 10a Protects the main PLC against electrical surges.
- 10b Replacement of existing analyzers
- 11 Replacement of the original equipment
- 12 Program for enhanced nutrient removal

**Notes**

**Shading key in Table: FY 09 Completed/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure

[1] Committed funds may be reallocated, based on final incurred costs of completed projects, and/or revised priorities and needs

**3167 This account includes all of the miscellaneous capital costs associated with the operation of the Town's Water & Wastewater Systems.**

- 1 This line item provides for water meters for replacements and new installations.
- 2 The sewer TV will allow staff to televise and assess problem areas in the sewerage system without using an outside contractor
- 3a Replaces aging existing equipment
- 3b Replacement hoses used in blowing off wells, hydrants, watering trees, etc.
- 3c Replacement of old harness used for entering manholes and other confined spaces
- 3d Replacement used to locate water main breaks
- 3e Replacement equipment
- 3f Replacement used during water main breaks
- 3g Replacement equipment
- 3h Replacement equipment used for unclogging sewer laterals
- 3i Spare parts on hand.
- 3j Allows electronic readouts and control for water level depths in wells.
- 4 Major rebuild to existing pumps
