ZONING CODE COMPLIANCE PERMIT APPLICATION

A Zoning Code Compliance Permit is a certification of property use and shall be required for any of the following activities:

- Construction, reconstruction, erection, extension, enlargement, conversion or structural alteration of any building, including accessory structures;
- Change in use of an existing building or accessory structure to a use of a different classification;
- Occupancy and use of vacant land and existing structures;
- Change in the use of land to a use of a different classification;
- Any change in legally nonconforming use;
- Fences (commercial and residential); and
- Any temporary uses as defined under the Zoning Ordinance of the Town of Poolesville.

A Zoning Code Compliance Permit is issued subject to continued compliance with all requirements and conditions of the Zoning Ordinance and other regulations enacted by the Town of Poolesville, all as in effect at the time of issuance of the Zoning Permit, and may be revoked for noncompliance.

All Zoning Code Compliance applications will be approved in accordance with the procedures outlined under Zoning Ordinance 198.
