## Memorandum

June 16, 2022

To: Commissioners of Poolesville

From: Wade Yost, Town Manager

RE: Appointments to Sustainable Poolesville

The Town has received 3 volunteers' applications, Soledad Aguilar, Krish Bala and Markus Rauschecker, for the open positions on the Sustainable Poolesville Committee.

In accordance with our volunteer appointment policy, we will be taking these candidates into consideration during our June 21 Commissioners Meeting.

The Sustainable Committee have reviewed the applications and offer the following,

*All three candidates are well qualified and would bring good skill sets to the Committee. We request that the Commissioners consider adding all three to the Committee. We certainly would be happy to have additional hands to work on some of our projects. If you recall, the original "Green Team " consisted of 9 members, two of which were Commissioners, so adding these three candidates would give us 9 members again, with only one Commissioner-liaison (Ed Reed).*
