Fwd: Grant money for Post Prom - townhall@poolesvillemd.gov - Town of Poolesville Mail

Dear Poolesville Commissioners

I hope this email finds you well! I am writing early to be well ahead of the game this year for PHS Post Prom planning! We are moving ahead with planning, but again find ourselves planning for several contingencies. I am asking that you again generously donate 2500.00.

Currently our plans are to hold the post-prom at the high school. However due to vendor cost increases overall and to the overwhelmingly high cost of renting transportation buses this year, we are considering not providing transportation and using those funds to pay for the actual event. Your donation would be used to pay for activities such as bouncy house castles and the magician and food.

I am happy to provide a more detailed budget in the upcoming months as we attempt to "lock in" vendor costs.

Thank you for your consideration! Lynn Schaeber Funding Coordinator PHS Post Prom
