

February 12, 2019

Hello

The Town of Poolesville, Maryland is pleased to announce the dates and a preliminary list of accompanying events for the tenth season of its highly-anticipated Friday on the Commons series. Produce, meats, cheese, cut flowers, agricultural goods, baked goods, artisan crafts, and food trucks are welcome. There are 7 events planned and booth spaces can be purchased for \$10 per event or \$60.00 for all 7 events.

We invite you to be part of this wonderful event. Your presence would be greatly appreciated by the greater Poolesville Community as we strive to maintain our “Sustainable Maryland” certification.

Sustainable Maryland is a certification program for municipalities in Maryland that want to go green, save money and take steps to sustain their quality of life over the long term through such actions as having a local food fair, farmers market, in-town CSA drop-offs, community gardens, “living well” and “workplace wellness” programs, “buy local” campaign and a local business roundtable, waste reduction and water conservation plans, watershed stewardships, land preservation, and participation in DHCD Sustainable Communities.

Our events are family-friendly and attract a growing amount of Greater Poolesville and “Up County” residents as well as a growing radius of admirers of our small town charm and sustainability-minded blueprint.

Poolesville’s Friday on the Commons Committee would love for you to be a part of our summer series, and have included this year’s market application. If you have any questions or would like more information please feel free to contact me at 301-428-8927 or email me at catbupp@aol.com.

Sincerely,

Cathy Bupp
Event Coordinator
Town of Poolesville
